OUR NETWORKS

ARE DIFFERENT

We operate networks for members with an operational workforce. You won't find sales pitches at our meetings, instead you will network with like-minded professionals, have ample learning opportunities and have a chance to assist others with their challenges or seek advice for your own project. All whilst keeping up to date with industry developments, locally and nationally.

Find your VOICE

We represent our members and industries at various influential board and association groups throughout our region and UK. Participating in projects and initiatives on behalf of our members.

We are LOCAL

Build your network and knowledge of industry in your local area - our services operate local to you across the Yorkshire and Humber regions.

We provide SUPPORT

Our network groups provide tailored support via invited speakers and peer to peer networking. Members can sound out ideas and share best practice to overcome challenges they may face.

We Value your TIME

Our network groups are matched to an employee's specific area of activity and led by an industry chair - ensuring every minute you spend with us is well spent.

PERSONALISED BENEFITS

WHAT DO YOU NEED?

We work with each member company to ensure that you gain the most from your membership. Every employee counts and has access to a wide range of benefits - take advantage as often as you need.

BUSINESS SUPPORT AND SIGNPOSTING

Along with over 20 years of industry experience we have support services such as access to CATCH Technical Consultants, CATCH Skills training courses and managed services programme, Contractor Competency through our ConCom service plus an online supplier directory to support your business objectives and projects.

A HIGH QUALITY EVENTS PROGRAMME

Each year we work with our network chairs to deliver an outstanding event programme including our prestigious annual awards dinner, providing our members with ample ways to network and keep informed of industry updates.

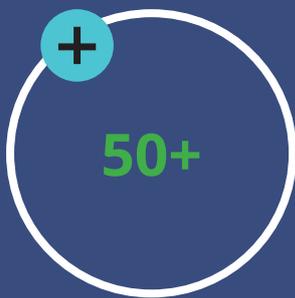

TIMELY SUPPORT SERVICES

We also provide members with a monthly e-newsletter, a calendar of events, access to post on our industry jobs board, members rate for selected courses and events, company logo in our members directory, webinars, workshops and access to room hire for your meetings and events.

OUR NUMBERS

CLIENT MEMBERS

We are proud to have over 50 of the Yorkshire and Humber regions finest process, energy, engineering and renewable companies within our membership

EVENTS AND NETWORKS

Each year we host over 60 events and networks for our members to attend, in person and online.

PEOPLE

CATCH Membership supports over 600 industry professionals each year, either through our networks, events or projects.

OUR NETWORKS

From our site in Stallingborough, and across Yorkshire we run over 13 different network groups, covering each job role within industry, including - HR Managers, Engineering Managers, Environmental Managers, Decarbonisation, Fire & Security, Human Factors, Major Hazards, Skills, Competency and Apprenticeship Networks.
